Dummy security CCTV camera, battery operated

Marka: **Virone** | Symbol: **CD-7** | Ean: **5908254842856**

PRODUCT DESCRIPTION

Dummy security CCTV camera, black color. Designed to provide easy security using an alternative solution to the real camera.

This is a high-quality imitation of a CCTV surveillance camera. The built-in flashing LED gives the impression of 24-hour monitor.

ORNO GROUP Sp. z o. o. All rights reserved.

The device is suitable for use in the home, on the property as well as in a small business or shop. The dome-like appearance of the real camera gives the impression of real monitoring. The IP20 protection level allows the dummy camera to be mounted on a ceiling inside a building.

Powered by 3x AA batteries (not supplied).

Device with a diameter of 125 mm.

TECHNICAL DATA
