Cord-grip lampholder E27, black

Marka: **Virone** | Symbol: **LH/E27-20/B/PZ** | Ean: **5908254840623**

PRODUCT DESCRIPTION

The E27 lampholder is a black standard light fixture that is designed to mount an E27 bulb. It is a popular solution used during renovations and upgrades of lighting installations, when it is required to temporarily install lighting without using a lampshade or other decorative element.

Our E27 lampholders have a simple and durable design.

E27 fixtures are easy to install and remove, making them a versatile solution for temporary lighting installation. However, it is worth remembering that repair fixtures are not intended for permanent use and are not a full-fledged alternative to traditional light sources.

Also available in white.
