Socket splitter 5x2P/II, 6A

Marka: **TIMEX** | Symbol: **R-5/CZARNY** | Ean: **5907522117122**

PRODUCT DESCRIPTION

The socket splitter 5x2P/II is a perfect solution to simultaneously connect multiple electrical appliances. It is equipped with five double-secured sockets 5x2P/II to guarantee reliable operation and, primarily, protection against possible interruptions or overvoltage.

Despite being equipped with multitude of sockets the splitter is compact in size and occupies little space. The maximum load of 6A enables safe operation of five electrical appliances at the same time.
