GS305

300 SWITCH SERIES

NETGEAR Small Office/Home Office Ethernet Switches provide an easy, reliable, and affordable way to expand your network connections.

- Auto-MDI/MDIX eliminates the need for crossover cables
- LED indicators for ease of use
- Energy-efficient technology for power savings (IEEE® 802.3az)
- Auto-negotiation for automatic connection at the highest common speed between switch and an end device
- Non-blocking switching architecture for maximum throughput at wire speed
- Fanless design for silent operation
