Lee Oskar™

HARMONICA BY TOMBO

The Lee Oskar Harmonica System: Designed by a pro to be practical, economical, and very simple to maintain.

Major Diatonic

Choose the Major Diatonic harmonica to play BLUES, FOLK, ROCK, COUNTRY, POP

Model 1010 - Orange color
Key: C (standard)
Low C, Low D, Low E, Low F, Low G, A, Bb, B, C, Db, D, Eb, E, F, F#, G

The Lee Oskar Harmonica Major Diatonic is the traditional standard tuning for playing Blues, Folk, Rock, Country and Pop music. To play simple folk music and melody lines, 1st Position (Straight Harp) is used. To achieve greater expression and a bluesy sound, 2nd Position (Cross Harp) is used. 1st Position (Straight Harp) accents blow notes and plays in the major scale. 2nd Position (Cross Harp) accents draw notes and plays in the key of the minor.

Blues conversion table

G	A	B	C	D	E	F	F#
G	A	B	C	D	E	F	F#

To play Blues in:
Use a Major Diatonic harmonica in key of:

C	Db	D	E	F	F#	G	Ab	A	Bb	B
---	----	---	---	---	----	---	----	---	----	---

- Replicable Reed Plates made of top-quality brass, mounted to the comb with only 3 self-tapping screws.
- Replicable Cover Plates (stainless steel), engineered for excellent projection and tone. Corrosion-free.
- Replicable Plastic Comb withstands twisting and shattering, and projects a full, brighter sound.
- Wide chambers and narrow dividers for ease of playing.
- Precision-molded, recessed bed holds reed plates securely, and prevents air leakage.
- Tuned to 441 Plus for a brighter sound.
- High back, slide-together, interlocking beams for carrying convenience and fast, easy tuning.
- Each model is color-coded by tuning: Major Diatonic (Orange), Melody Maker™ (Blue), Natural Minor (Green), Harmonic Minor (Yellow).
